

MISSION:

To become an extension of our customer's supply chain. Acting as a strategic advisor, we produce and efficiently deliver high quality products, on time, at competitive prices

WHO WE ARE:

We are an international provider of single use disposables, for food service and medical supply markets

WHAT WE DO:

Using our global networks and supply chain relationships, we design, source, produce, and deliver containers of product to our customers. We solely work with first class, certified manufacturing partners.

OUR CUSTOMERS:

We focus on Distributors, Re-Distributors, Retailers, Institutional, Nursing homes and many more

PROGRAMS:

We develop tailored consolidation programs across various product lines to maximize our customers inventory turns and reduce inventory on hand. Our ability to consolidate many different product lines and categories is unmatched in the industry
